Super Sunday - Dec. 6

The Need Is Great; The Need Is Now

By Mike Segal and Greg McMains
Co-chairs, Super Sunday Committee

We continue to find ourselves in unsettling economic times. Now, more than ever, the immediate needs in our Jewish community are great.

Akron has a long, proud history of generosity and commitment to tzedakah and tikkun olam. Our parents and grandparents built the foundation for a strong Jewish Akron. Now it's our turn to take responsibility and provide for a strong future for our own children and grandchildren.

On December 6, we must stand together again as a community in support of the 2010 JFNA/Jewish Welfare Fund Campaign. That morning, volunteers will be making phone calls, asking for your gift. Please answer generously.
